Who's he?

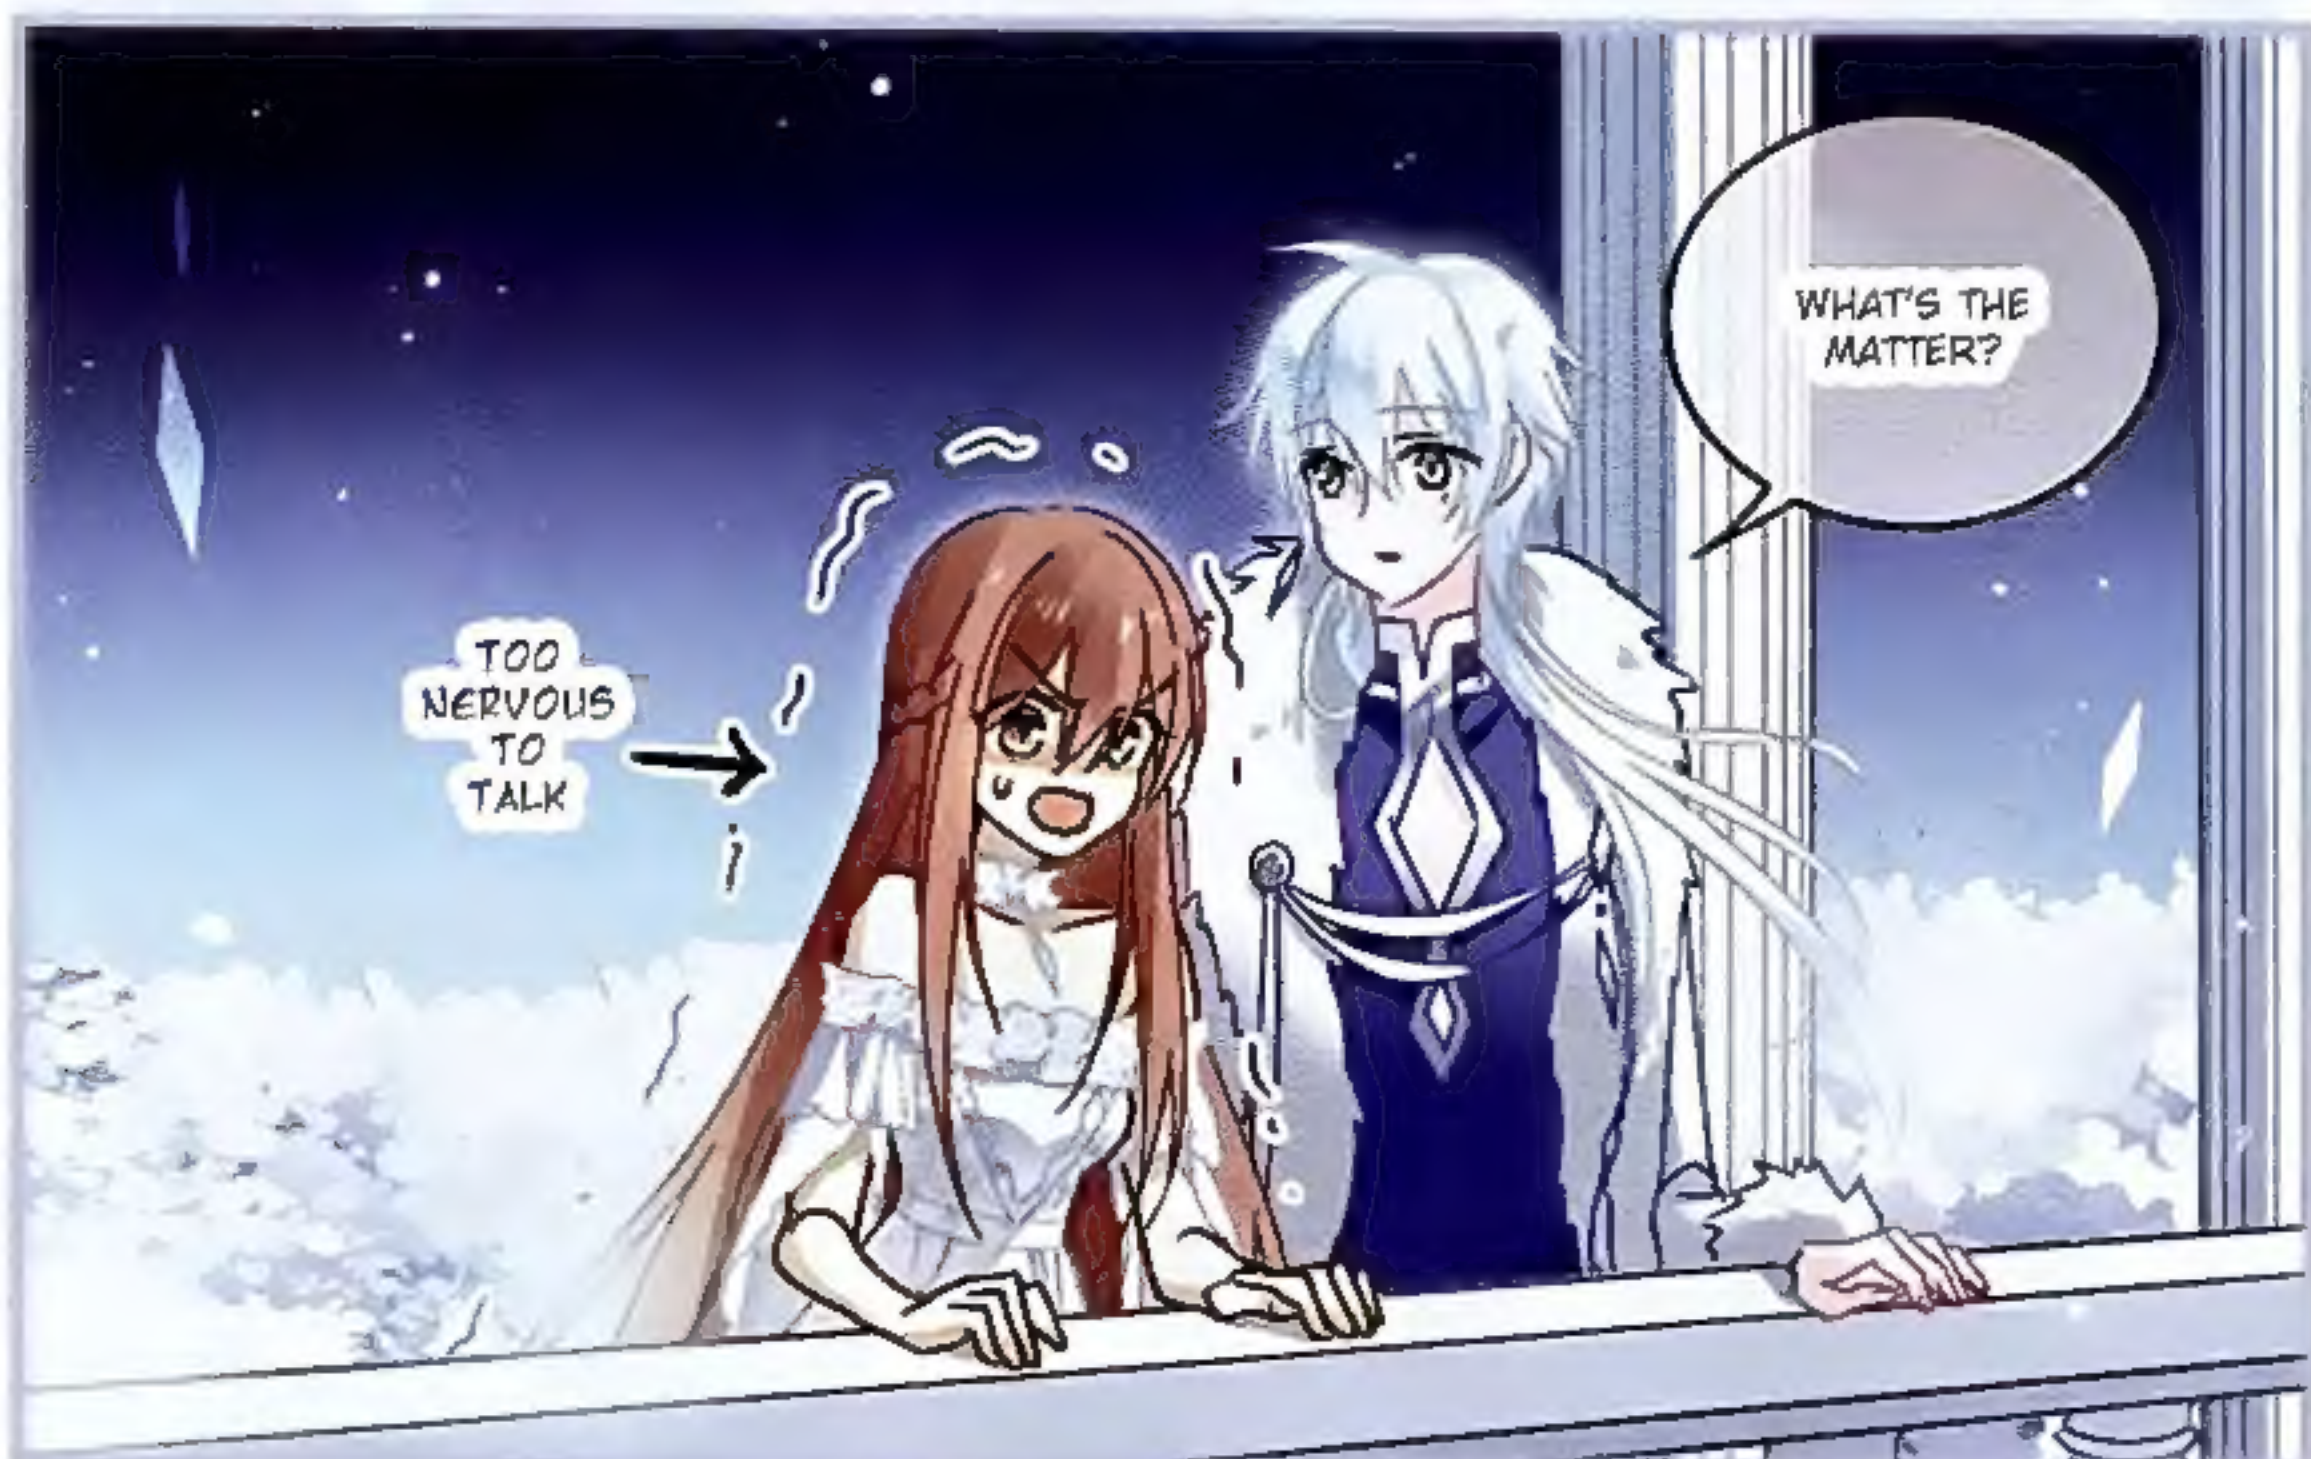

Very gentle, also...
I've never smelled this
kind of scent on him...

Is it the
scent of ice?

I've never
lived with anyone
before...

He saved me, at this
time... should I say thank
you?

OR...

IN TRUTH...

I'M BEING DISCRIMINATED.

PEEK

PRETEND TO LEAVE

扯

!

NO...

NOT THAT...

I DON'T DISCRIMINATE YOU, THE SCENT ON YOU IS VERY FRAGRANT...

NERVOUS

IN ADDITION... THANKS FOR SAVING ME.

Hmm....
It's bad....

Seems like I...

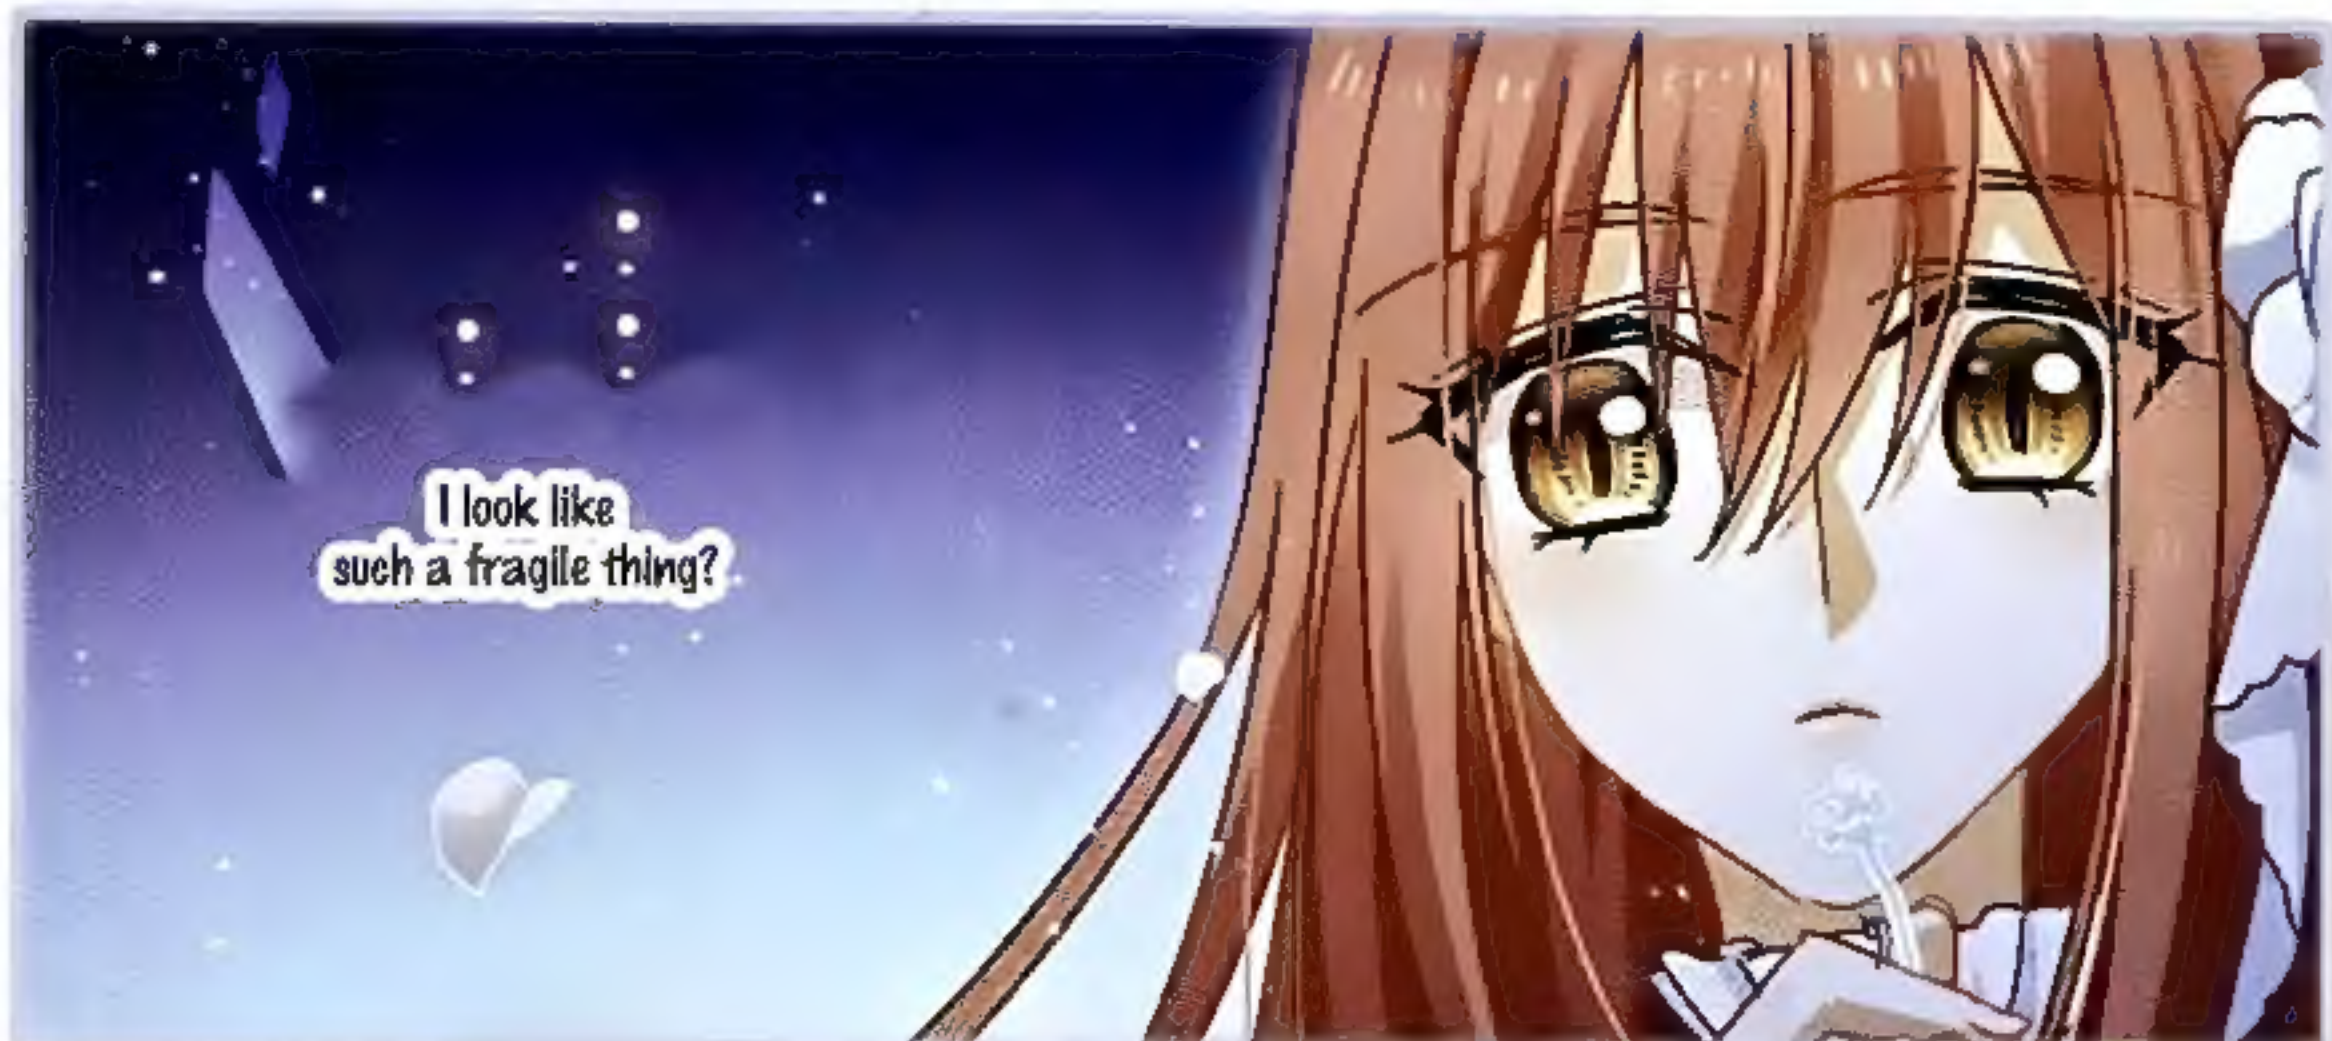

should stop...

?

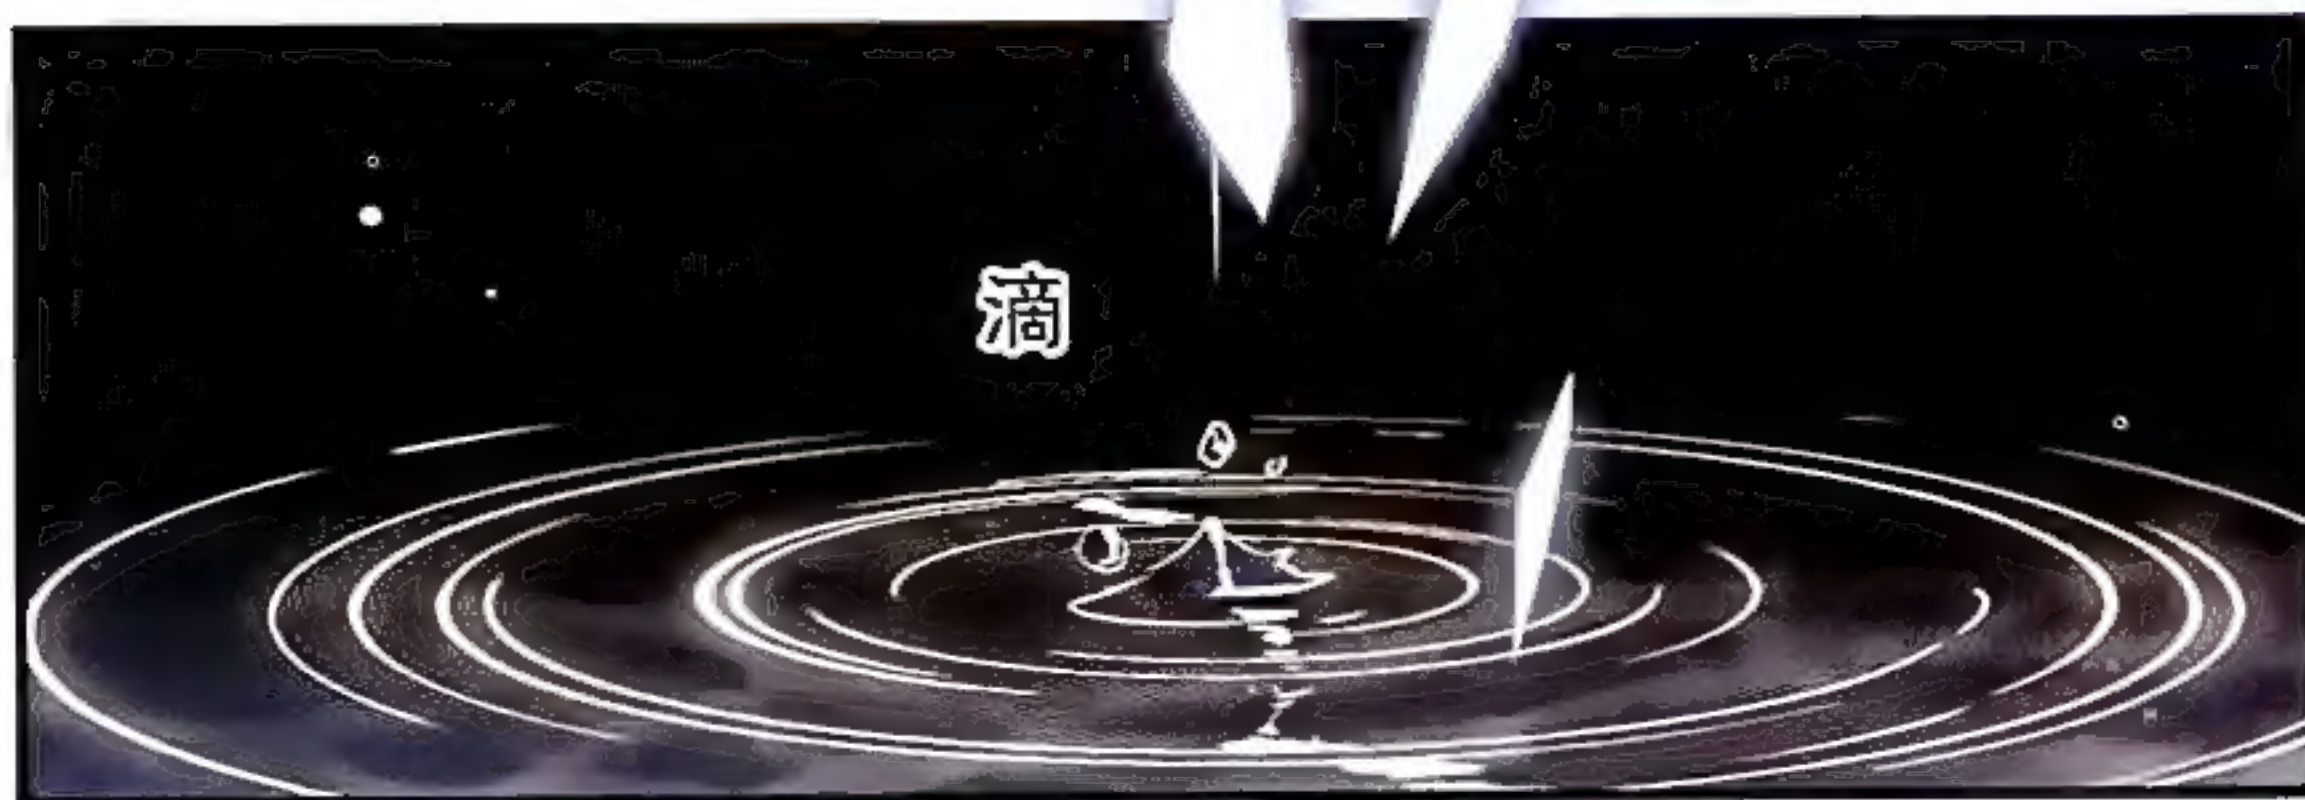

teasing her...

This feeling's...

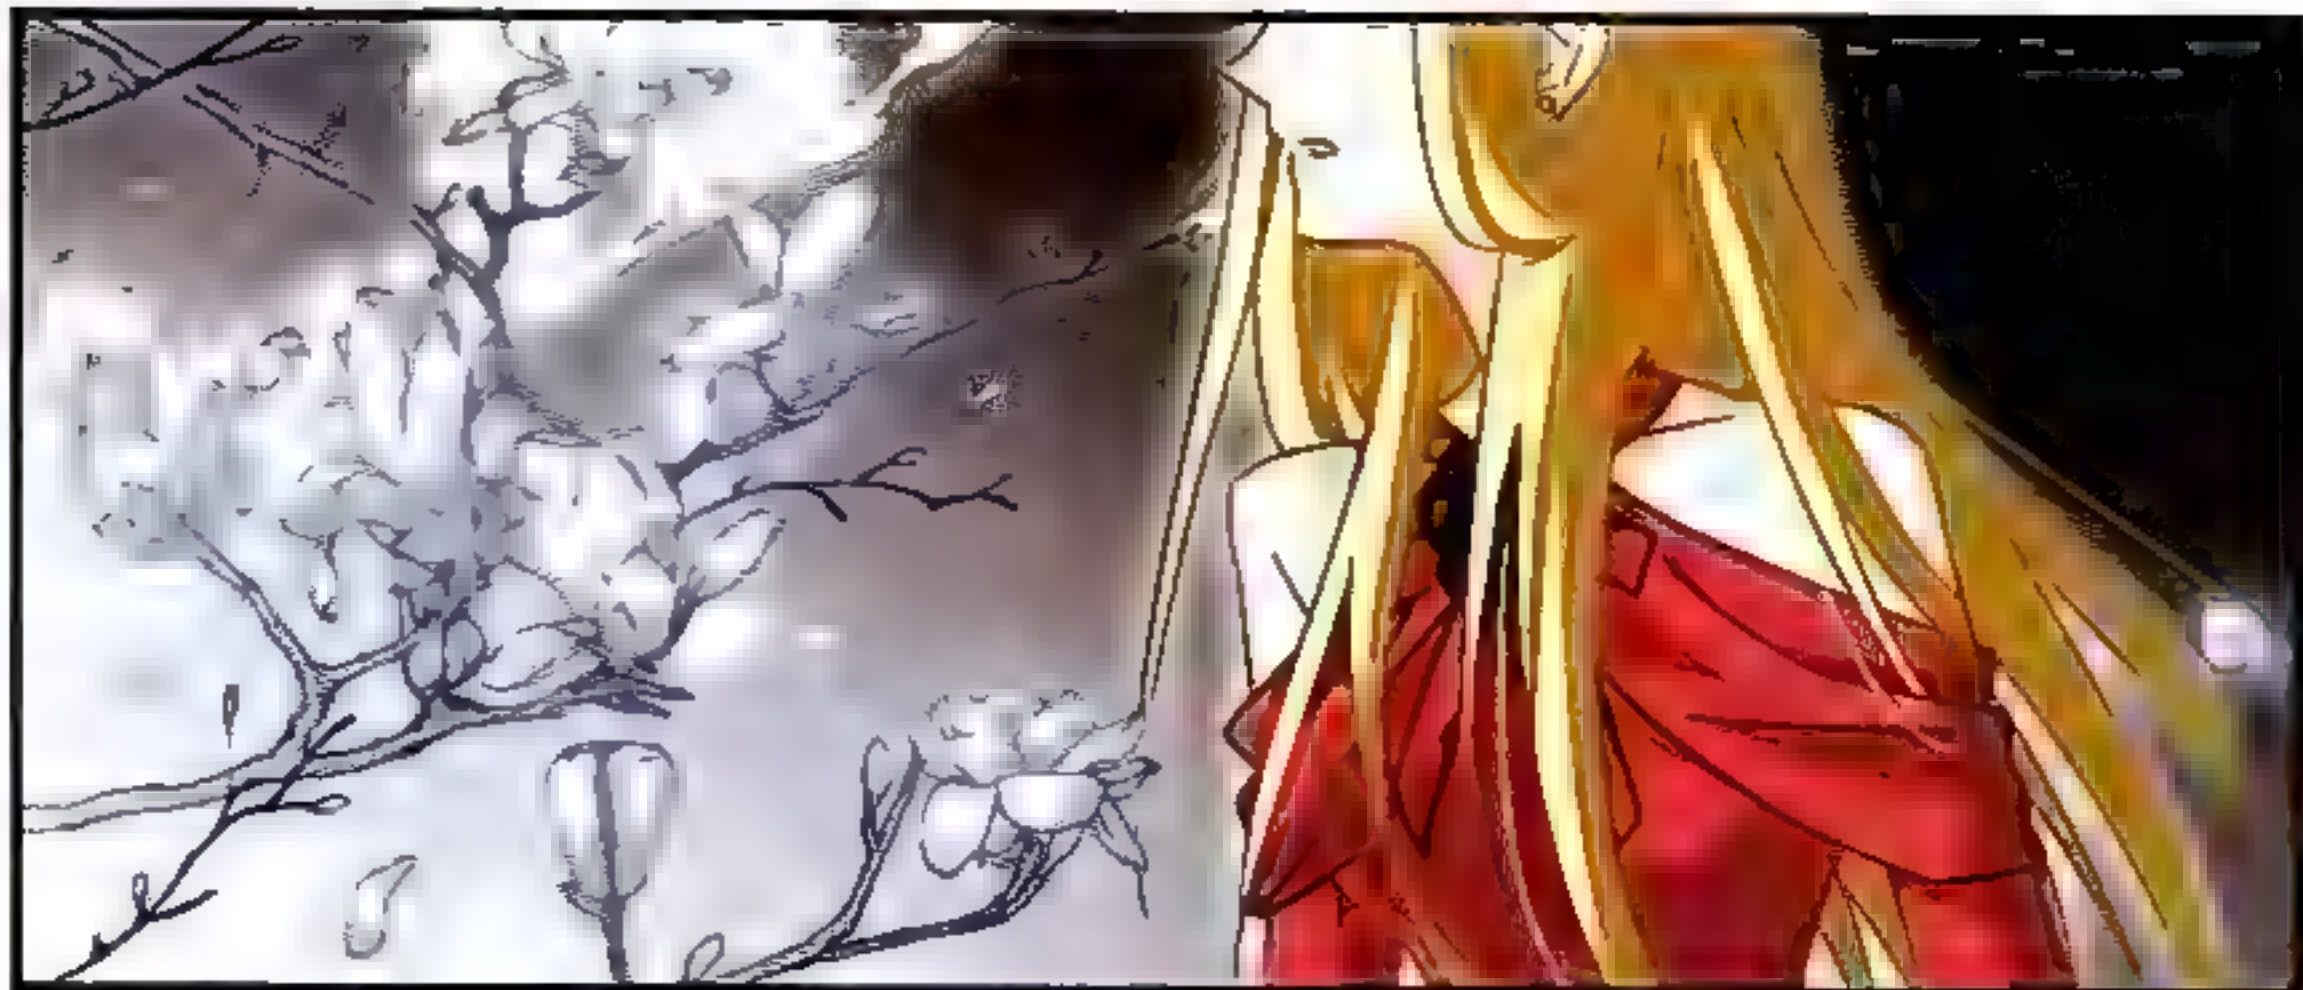

undoubtedly
the same
as that time!

made me become such
an appearance...

It was Xi Lu Qi!
